## eTeam Formation Preliminary Study prior to working Team

The Team Formation process has been revised to insure that all Cursillistas have the initial "Cursillo Literature" information available for those who wish to work as a Weekend Team Member.

This material gives explanations of "the WHY". This study is to ensure that all cursillistas selected to work a team have a common understanding of the movement and the weekend to enter into the team formation sessions.

The size of weekend team now is limited to eight (8) team members. Six (6) veteran members and two (2) first time team members. This requires veteran team members to give two (2) talks per weekend. The new first time team members have the option of giving a talk.

The following material is to be read/studied.

Please inform the Weekend Chairperson that you have completed this study prior to the weekend. The current weekend chairperson is:

Wayne Fleckenstein, 2313 Banker Street, McKeesport, PA 15132. 412-678-1723 (home), 412-427-6148 (cell) Or [Fleckenstein@verizon.net](mailto:Fleckenstein@verizon.net)

The eStudy sessions, which reside on the Cursillo National website, can be accessed by [www.pghcursillo.org](http://www.pghcursillo.org) or directly by [www.natl-cursillo.org](http://www.natl-cursillo.org)
